

Class Rules -- Please Read !

All classes are for 3 days each, meeting 3 hours each day. The fee includes all fabrics, patterns, and use of my sewing machines and notions. The fee **MUST** be paid in full at time of registration. All students **MUST** register at least one week before class. It is preferred that students be at least age 8 by June 1, 2009. Food and/or drink are **ONLY** allowed during the lunch break and must be consumed in the class area. Family and/or friends are not allowed to stay for class. If for some reason a student cannot finish their project in the time allowed, a make-up session can be scheduled. The fee is non-refundable. For safety, any student misbehaving and/or not following directions will be asked to leave and the remainder of the class fee will be forfeited. It is also important that students are not overly tired before the sewing class, such as the morning after a sleepover or a swim class. They need to be alert to operate sewing machines, and I will not allow them to sew if I cannot ensure their safety. Classes start and end promptly. Please make arrangements to drop off and pick up students on time. If possible, please come in at least one day before the class to pick out fabric.
